

Joining the Ladder for the first time

Our Ladder is managed by <https://www.globaltennisnetwork.com>. If this is the first time you are joining our house league ladder, please take a moment to register an account with <https://www.globaltennisnetwork.com>. It's free of charge. Then, send an email to our house league coordinator at house@generalburnstennis.ca.

Accessing the Ladder

Once the house league coordinator has added you to the Ladder, you can access the Ladder at our club's website at <https://www.generalburnstennis.ca/>

Then select the *House League* menu under *Media & Play*.

Then click on *View League Ladder* like so:

Are you interested in joining our *house league*?

For all genders, this is a great way to meet other Club members, as you challenge others and try to move up a ladder. Participants are encouraged to play once a week, and rules will be distributed to those who sign up. There is NO FEE to join the league, but please take a moment to review our [Ladder House Rules](#).
